Nether Providence High School

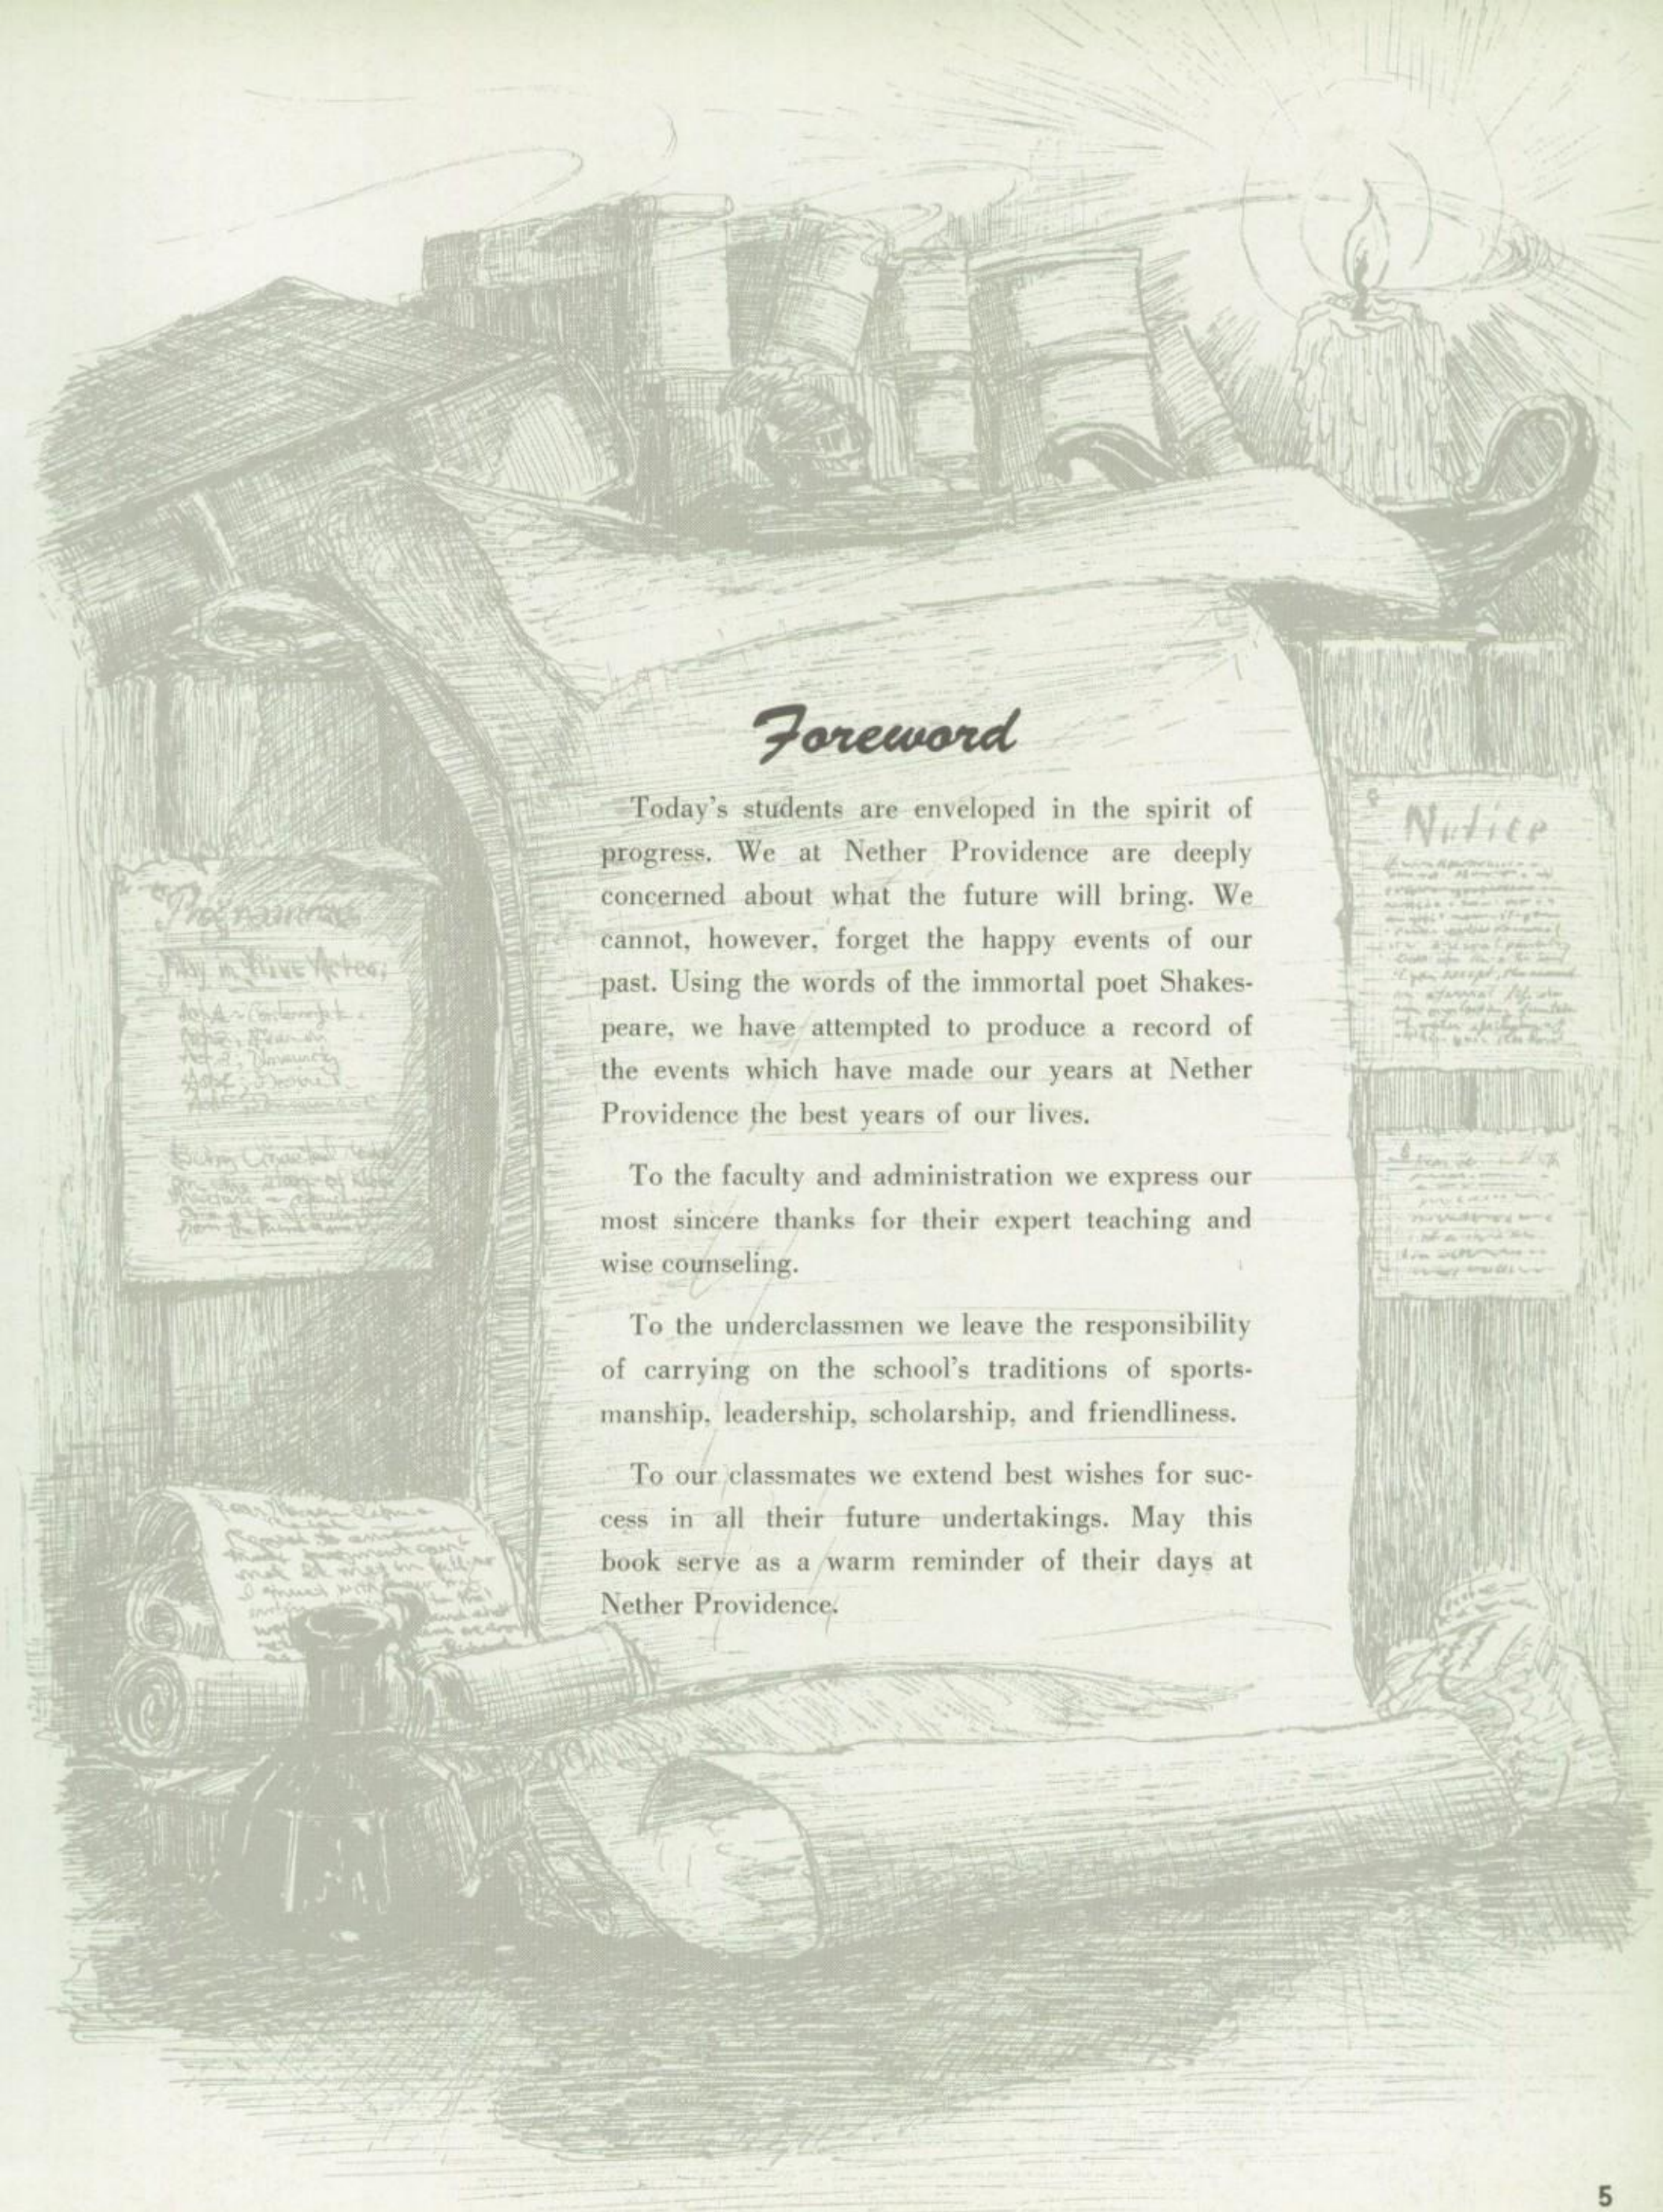
A new school is being constructed in Nether Providence to help meet the needs of a growing population. The Summit Elementary School which is being built on Plush Mill Road in Wallingford will be completed for the fall of 1957.



Foreword

Today's students are enveloped in the spirit of progress. We at Nether Providence are deeply concerned about what the future will bring. We cannot, however, forget the happy events of our past. Using the words of the immortal poet Shakespeare, we have attempted to produce a record of the events which have made our years at Nether Providence the best years of our lives.

To the faculty and administration we express our most sincere thanks for their expert teaching and wise counseling.

To the underclassmen we leave the responsibility of carrying on the school's traditions of sportsmanship, leadership, scholarship, and friendliness.

To our classmates we extend best wishes for success in all their future undertakings. May this book serve as a warm reminder of their days at Nether Providence.

Dedication

Then, Heaven, set ope thy everlasting gates
To entertain my vows of thanks and praise.

Second Part of Henry VI, IV, 9.

We dedicate this book to the Parent Teachers Association in grateful recognition for the aid and inspiration they have given us in our years at Nether Providence.

The vitality of any school community is in large measure a reflection of the interest and foresight of its P.T.A. Ours has given unselfishly to various activities, and their success in this can be measured by the benefits we have derived. They have guided us wisely in the past and have prepared us to accept the responsibilities of the future.

It is fitting that the class of '57, which has benefited from this organization, should show its appreciation. This dedication then, is a token of our gratefulness which is here extended in all sincerity.

School Board

Our school board is responsible for the operation of the School District of Nether Providence Township. They are charged with the planning, authorization, financing, and supervision of new construction and other capital improvements. Their responsibility also extends to providing the multiplicity of services and supplies necessary to the functioning of the complex business operation which is our school system. We are indeed indebted to them for the excellent job that they do.

ROBERT MARTIN

"Bob" Garden City

Academic

When Bob came to us in his junior year, it was definitely Chester's loss and our gain. His interests include basketball, baseball, foods, cars, and girls. After becoming successful in the field of business administration, he intends to retire at the ripe old age of 30.

Activities: Chester High School: Biology Club 2; Linguist Club 2; Photography Club 3.

NEAL McELWEE

"Speed" Garden City

Business Education

What will lunch time be like at N. P. without Speed's dancing and flirting? At the present time he has three main interests: dancing, girls, and cars. It's hard to believe Speed'll ever settle down to a career like mechanical engineering, but when he does, he is sure to be successful.

Activities: Football 1, 2, 3; Basketball 1; Baseball 1; Auto Mechanics Club 2, 3, 4; Varsity Club 3, 4; Senior Chorus 4; Senior Play Committee 4.

NANCY MILLER

"Nance" Pine Ridge

Academic

Nance came to us from Marple Newtown High where she was quite active in the musical program. Although music is her main line, she is quite a home economist, often found knitting, cooking, or baby-sitting. She secretly desires to travel to the land of kangaroos. FRANCES YORI

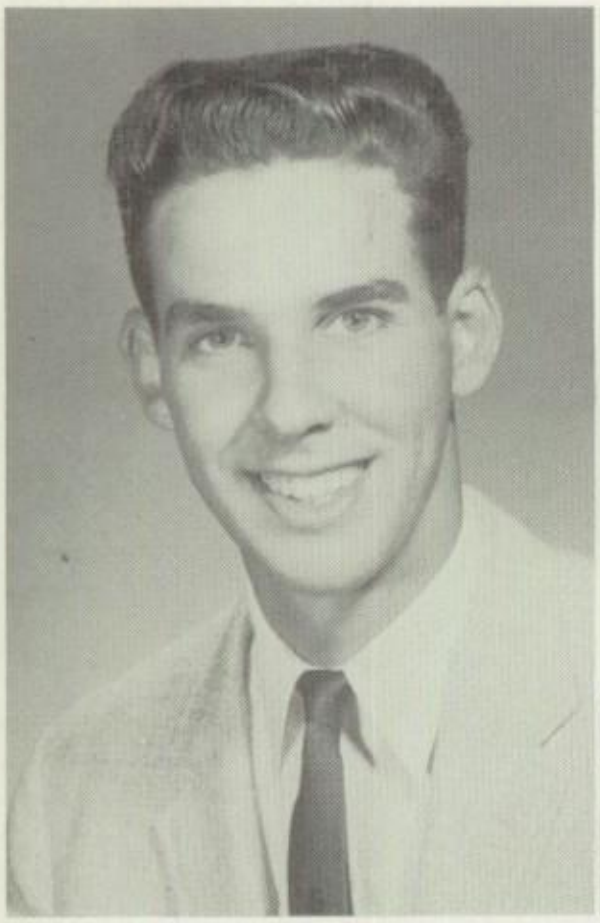
"Fran" Wallingford

Business Education

"Little Rich" and Studebakers are usually on Fran's mind. Found behind a typewriter Fran has done a great job for the Yearbook this year. In her spare time she's usually talking to Mr. Dorsaneo. Fran also enjoys collecting "human souvenirs." She would like to follow a stenographic career.

Activities: Senior Ball Decorating Committee 4; Yearbook 4; Photography Club 4; Senior Chorus 4; Junior Chorus 1; Riding Club 1; Dance Club 2.



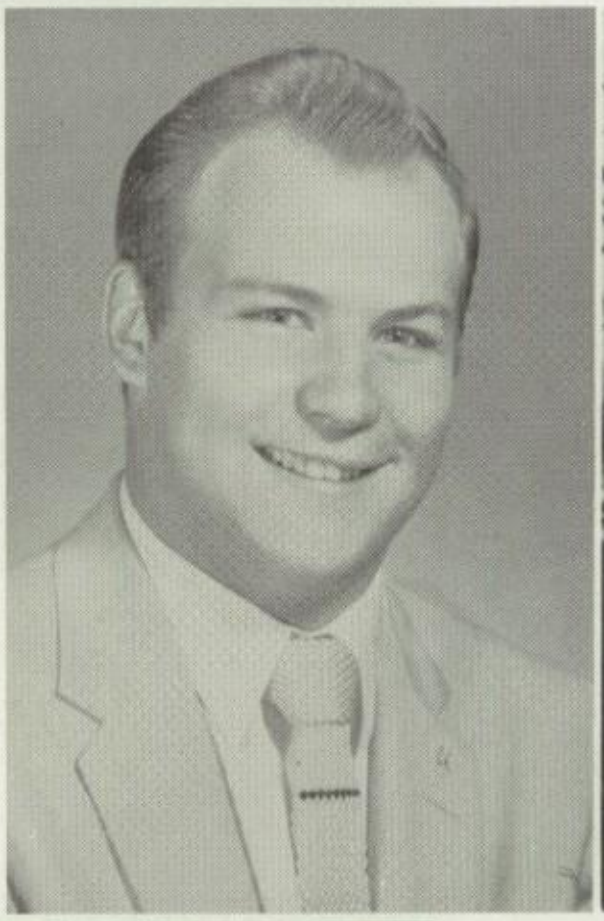
GALEN YOUNG

"Tex-Shorty-Chico" Spring Haven

Academic

Outstandingly active in church functions, Galen is usually found in the midst of the youthful social group. Chico is quite a speed demon, having a keen interest in water skiing, speed boats, and Oldsmobiles. His greatest hope is to get an "A" in a major "Trig test." In the future Galen will make a major contribution to the medical profession as an outstanding surgeon.

Activities: Radio Club 2; Auto Mechanics 2, 3; Senior Chorus 4; Baccalaureate Organist 3.



RUSSELL ZERBEY

"Russ" Wallingford

Business Education

Forever telling jokes, eating, and cutting English Class, Russ likes sports, cars, and girls. He is joined by all other linemen in his secret aspiration to score a touchdown. If you need anything notarized 10 years from now, see Russ, the C. P. A.

Juniors

Officers: T. Edwards, Treasurer; W. Jones, Vice President; R. Kellman, President; C. Morgan, Secretary.

The junior class should have little trouble in filling the empty places that will be left by the graduating class because of its many members who are already leaders in the school. Under the able sponsorship of Mrs. Junkins, Mr. Kline, and Mr. Megonigal the class has been truly successful. The result of their efforts in the candy sale has shown a great profit to the class. Contributing their efforts to the programs of the school, the class was a great asset in planning and decorating for the Junior-Senior Prom.

To the juniors we leave the task of keeping high the name of Nether Providence High School. We extend to them our best wishes as future seniors.

Sophomores

The class of '59 has participated in many activities throughout the year. They have represented our school well in all fields of school activity through the guidance and assistance of their class sponsors, Mr. Canamucio, Mr. Jackson, Mr. Stratoti, and Miss Law. Their spirit of workmanship was ably displayed in the success of both the Soph Hop and the food concession. They did an expert job in handling the Christmas and Easter candy sales. A great deal can be expected from this class which has so much to offer in the classroom, on the athletic fields and in all areas of activity.

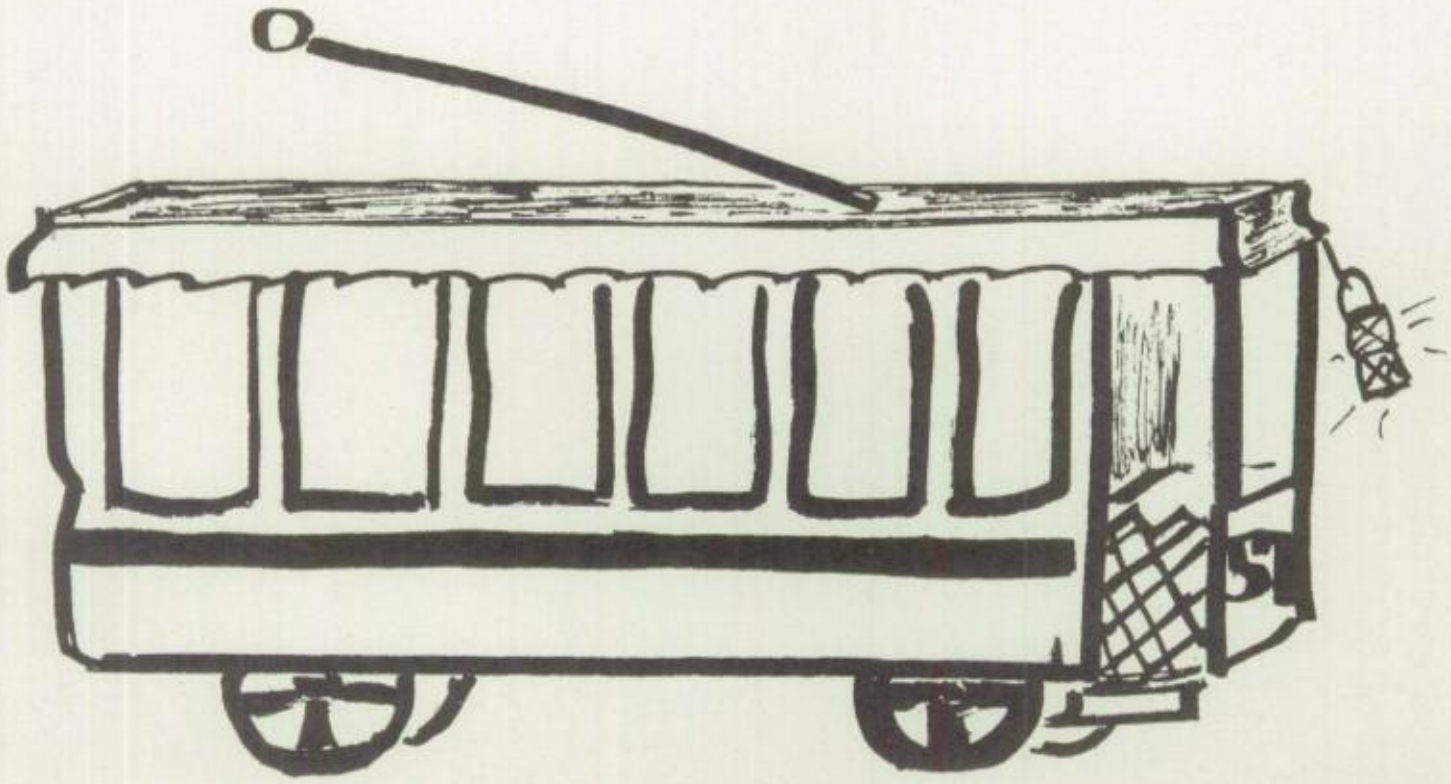
MR. BOORSE, *Director*

Senior Play

The hilarious comedy, "Men Are Like Streetcars," was presented Friday and Saturday nights, November 9 and 10, by the Senior Class. The play, which was directed by Mr. Boorse, was centered around a typical teenager who managed to get everyone into trouble with her theory on boy-catching.

The work and the fun involved in presenting the play will long be remembered by the cast and the play committees.



See! I told you so.

Aren't they beautiful?

This year marked many musical highlights provided by the band and other sections of the music department—the most important of these being the participation in the parade in Atlantic City. The band is always an important asset to our football game, assemblies, Spring Festival, and other activities including our variety show.

John Locke is this year's band captain and vivacious Nancy Perrine takes the position of Drum Majorette. Nancy Robison led and directed the twirlers while Judy Patterson instructed the color guards on maneuvers.

The Non Pareil Staff is a capable group of journalists under the supervision of Mr. Joseph Canamucio. The group, composed of Seniors, works throughout the year for one goal . . . the production of an outstanding annual.

Those who have worked on the staff have gained an inward wealth of "class closeness" and it is with pride that they present this year's edition of the Non Pareil.

Bark

Put together the leadership of Bob Figlio; the advice of Mr. Stratoti; the able Bark staff; and the Press Club which contributes many articles; and you have the unbeatable combination which makes our self-supporting newspaper better than ever!

The members of the staff will long remember every issue, along with the fun and hard work that contributed to their publication.

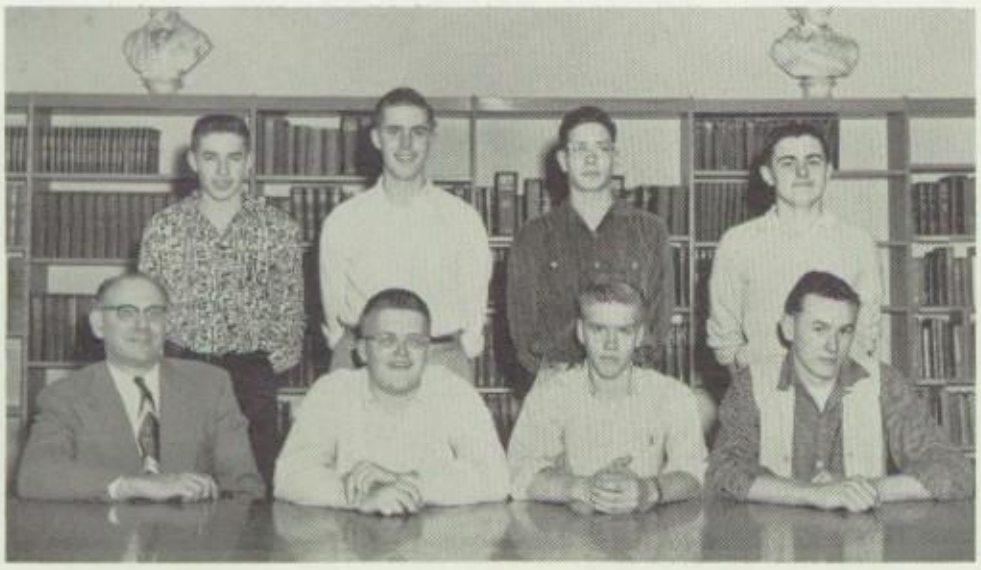
Cheerleading

"Let's go, Bulldogs!" That's the famous cry of the Nether Providence cheerleaders. When the fans' enthusiasm wavers, these peppy girls boost their spirits. Advised by Miss Morrell, the girls have come up with many new and different cheers, making them our choice for the BEST!

Top to bottom: J. Haubner, J. Ferrari, L. Stelle, D. Dooley, M. Mac Indoe, and M. Cohen, Co-captains.

SCOTT'S HI-Q

Composed of students of county high schools, the Hi-Q teams are matched in a series of contests in which they are quizzed on various academic subjects. Much credit must be given to Mr. Kline, the team advisor, who has given a great deal of time and patience.



SURVEYING CLUB

The club members find here practical applications of mathematics. This is in harmony with many of them who intend to become engineers. Those interested pupils have learned many principles through the experiences of Mr. Wilkinson, the club's proctor.

CHEF CLUB

Rattling of pots and pans are characteristic of this club proctored by Miss Wandless. Cooking is an art when it comes to manipulating certain condiments and Miss Wandless is out to see that the girls learn all the tricks.

AUTO MECHANICS CLUB

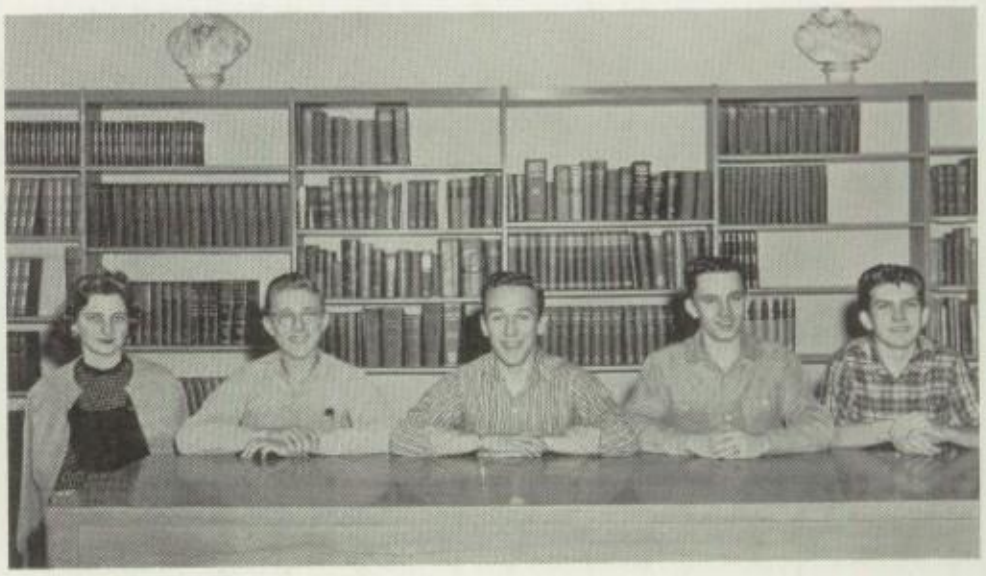
Principles involving the operation and structure of an automobile are the points of interest of the Auto Mechanics Club. Under the guiding hand of Mr. Megonegal, interest in automobiles is furthered with knowledge of maintenance and application.

SEWING CLUB

Applications of needle and thread in practical circumstances are associated with Sewing Club. Instructed by Miss Rostron, individual projects are usually pursued.

STAGECRAFT CLUB

A club really appreciated around Senior Play time, the Stagecraft Club was responsible for the beautiful set used this year. Through the art genius of Miss Herbert, the members learn the fundamentals of prop design and stage managing.



PUBLICITY CLUB

Matchless in its effort, the Publicity Club has proven itself to be the key of success to many school functions. Under the direction of Mrs. Junkins, the club has advertised such events as the Senior Play and the N. P. Follies.

CHESS CLUB

Coached by Mr. Renzulli, the Chess Club's main purpose is the improvement of present chess skills. Keen interest in advancement is stimulated by the presence of an elementary and an advanced group.

COIN CLUB

Curiosity in numismatics is the only qualification for entrance into the Coin Club. Mr. Werner, club proctor, promotes interest by his able leadership.

LEADERS' CLUB

Today's members of the Leaders' Club will be tomorrow's leaders of N.P. With this idea in mind, Miss Morrell and Miss Endriken attempt to present typical problems of leadership to the girls of grades 7-10.

PHOTOGRAPHY CLUB

Fundamentals of camera operation and negative development are the principal pursuits of this club. Miss Law, the club instructor, has formulated a plan of action which has been accepted with great welcome.

SPORTS CLUB

Mr. Echternach's knowledge of Ballistics is a main feature in providing interest in this club. Conservation and outdoor life are also items of curiosity.

PRACTICAL SCIENCE

Mr. Spickler's format consists of a chief plan in the promotion of scientific curiosity. He believes individual experimentation is the principle inciting the production of future scientists.

FUTURE NURSES' CLUB

The primary aim of this club is to further interest in nursing. Instructions and advice are offered by Miss Kennedy, our school nurse.

SENIOR HIGH DRAMATIC CLUB

This group has received much interpretation in acting through Mr. Boorse's experience on the stage. Although actual practice is theoretical in nature, members will have a new approach to dramatics.

SENIOR HIGH ATHLETICS CLUB

The prime purpose of the Senior High Athletics Club is to further interest in major sports. Instructions by Mr. Chesney and Mr. Wright will provide future stars for the school sports program.

RADIO CLUB

Electronics is a chief factor in our culture. Following this philosophy, Mr. Spickler has instructed the Radio Club in various fields of electricity, concentrated on radio theory, and its many applications.

LIBRARY CLUB

Proctored by Miss White, the Library Club has service as its aim. General management of the library and the cataloging of new issues are among their many services.

SENIOR HIGH VARSITY CLUB

Unmatched for its efforts in good sportsmanship, the Varsity Club is also a major factor in the promotion of school spirit. Through the able guidance of Mrs. Baker and Mr. Walters, many major projects for the athletics fund have been carried through successfully.

EFFECTIVE SPEECH CLUB

Mr. Jackson has been working diligently to further interest in public speaking. With the willing co-operation of the members, noticeable progress has been effected.

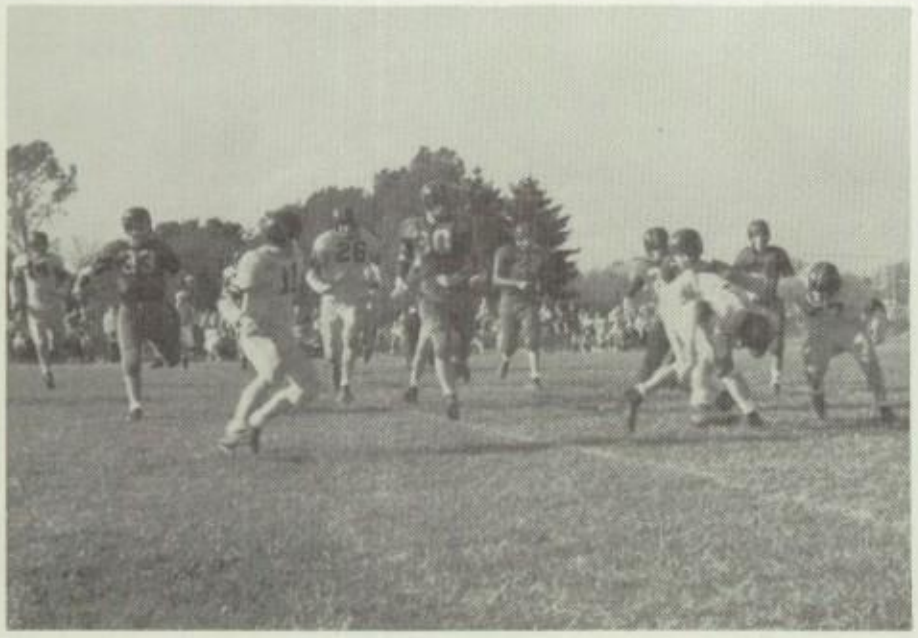
Football

The 1956 Nether Providence football team showed real progress. Head Coach Edward Narcum and assistant coaches Harry Miller and Thomas R. Walters made good use of returning lettermen to record two wins, five losses and one tie. But that tabulation does not tell the whole story. One or more touchdowns were scored in every game except two, and in only one game was there a large margin of defeat. Several touchdown passes completed in one game demonstrated the potential of the team and held out expectations of a winning season next year.

Coaches Miller and Walters took the Junior Varsity to a season of four wins and three losses. The victories over Lansdowne, Yeadon and Swartmore are significant.



Wait, boys, I've got a stomach ache!

Hey, this isn't a wrestling match!

Hockey

This year the girls' hockey team finished the season with two wins, three ties, and three losses.

This was a better season than the record indicates; all of the games were hard fought and ended in a close score.

Although the loss of the co-captains, Sue Miller and Marty Mulloy, will be hard to take, the experience gained this year will assure the girls of a successful season next year.

It's up here, boys!

Shoot it up, Sam!

The Nether Providence High School basketball team of 1956-1957 was surprising, as the Chester Times put it. When its possibilities were compared to last year's performances, its early victories did indeed seem "surprising." With the return of all of the lettermen but one, and with a contribution or two from the junior varsity, Coach Joseph Chesney had experienced starters and a strong bench.

At the beginning of the season, a set of injuries hindered the team. But their effect was not great enough to put Ridley Park, Media, Chichester or Marple-Newtown in the winning column. These four victories, including the sudden death win over Media, were by small margins. Later in the season, with the team up to full strength, more decisive scores were attained. Against unfortunate Upper Merion, the team broke the school scoring record of some years with a total of eighty-three points. But the greatest victory was to come three weeks later when the Nether Providence team upset powerful Yeadon by seven points.

There are hopes for next year that are sure to be realized. Although several men will graduate, only one of these will be a starter, and Nether Providence ought to be able to produce an even stronger, more experienced team.

Girls' Basketball

This year the girls' Varsity Basketball Team displayed the fine spirit and sportsmanship which is characteristic of Nether Providence High School. Although the team experienced a rough season, the girls continued to play with high spirits.

Among those who are graduating this year are co-captains Judy Rode and Marty Mulloy, Sue Miller, Nancy Robison, Pat FitzSimons, and Nancy Perrine. However, many members will be returning, and with bright promises from the junior varsity squad, next year's girls' basketball team is expected to produce a very successful season.

Baseball

The 1956 baseball team, under the management of coaches Harry Miller and Fred Houck, was composed almost entirely of underclassmen. The players made up for their lack of experience by showing spirit and hustle. The season record, four wins and eight losses, doesn't tell the story accurately. Three of these losses were by only one run.
